Principles of resolution

- MT is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy, MT ensures that complaints and appeals:
 - Are responded to in a professional, consistent and transparent manner.
 - Are responded to promptly, fairly, objectively, with sensitivity and confidentiality.
 - Can be made at no cost to the individual.
 - Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.
- MT will inform all persons or parties involved in any allegations made as well as providing them with an opportunity to present their side of the matter.
- There are no charges for students to submit, a complaint or appeal to MT, or to seek information or advice about doing so.
- Nothing in this policy limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

Making a complaint or appeal

- Complaints about an incident should be made as soon as possible after the incident occurring and appeals must be made within ten (10) calendar days of the original decision being made after complaint.
- Complaints and appeals should be made in writing using the *Complaints and Appeals Form*.
- When making a complaint or appeal, provide as much information as possible to enable MT to investigate and determine an appropriate solution. This should include:
 - The issue you are complaining about or the decision you are appealing – describe what happened and how it affected you.
 - Any evidence you have to support your complaint or appeal.
 - Details about the steps you have already taken to resolve the issue.
 - Suggestions about how the matter might be resolved.

Timeframes for resolution

- The complaint or appeal will be acknowledged in writing when form is submitted.
- The complaints and appeals process will commence within 10 business days of receipt of the application. Complaints and appeals will be finalised as soon as practicable unless there is a significant reason for the matter to take longer.
- In matters where additional time is needed if the matter is taking more than 60 days, the complainant or appellant will be advised in writing of the reasons and will be updated weekly on the progress of the matter until such a time that the matter is resolved.

Resolution of complaints and appeals

- Some or all members of the Administration team of MT will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made.
- Each party involved in the complaint or appeal may have a support person or independent mediator of their choice present at meetings scheduled to resolve the issue.
- In the case of an assessment appeal, an assessor who is independent from the original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task. The complainant or appellant will be advised in writing of the outcome of the process and the reasons for the findings made.
- The enrolment status of student will be handled as follows:

- MT will maintain a student's enrolment throughout the internal appeals processes without a change in enrolment status. In the case of an external appeals process it will depend on the type of appeal as to whether MT maintains the student's enrolment as follows:
 - If the appeal is against MT's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported MT's decision to report.
 - If the appeal is against MT's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, MT will notify a change to the student's enrolment after the outcome of the internal appeals process.

Independent Parties

- MT acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant / appellant unless the decision to include an independent party was made by MT.
 - Where a student is not satisfied with the outcome or conduct of the internal process, they are referred to the external services. See information under external complaint avenues.
 - MT will provide complete cooperation with the external mediator investigating the complaint / appeal and will be bound by the recommendations arising out of this process.
 - The RTO Manager will ensure that any recommendations made are implemented within twenty (20) days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation, and any recommendations being actioned by MT.

External complaint avenues

- Complaints can also be made via the following avenues:
 - National Training Complaints Hotline:
